Shoreline Annual Education Report (AER)

February 1, 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2024-25 educational progress for Shoreline Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Principal Beth Whaley for assistance.

The AER is available for you to review electronically by visiting the following [website](#) or you may review a copy in the main office at your child's school.

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

We are excited to share that Shoreline Elementary (Grades Young5-2nd) continues to implement a comprehensive, school-wide multi-tiered system of support for all students. This system is responsive to individual student needs at the earliest possible moment in order to help each student find success and increase achievement. Learning gaps are addressed at the individual student level by highly qualified teachers and interventionists in a classroom setting that is prescriptive to the needs of the individual student.

At Shoreline we pride ourselves on knowing every student's individual needs and then working tirelessly to meet these needs in any way we can. We continue to utilize a multi-tiered system of support to reach all learners at their individual level based on their individual needs from an academic, behavioral, and social perspective.

State law requires that we also report additional information. The following additional information helps us comply with this law and references at least the previous two years:

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL Whitehall's Shoreline Elementary School students are typically those who either reside within the District's boundaries, or attend through Schools of Choice. Given the building grade alignments with no overlapping grades,

students attend the school that provides educational service for the respective age-grade level. If you are interested in Schools of Choice, you may contact Kristen Bolles at 231-893-1005.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

Shoreline Elementary is fully compliant with all school improvement requirements as outlined by the Michigan Department of Education. The staff works together to conduct data-based needs assessments which identify strengths and weaknesses with the instructional program. From the needs assessments, goals and objectives are developed in a detailed plan that is carried out over the course of 3-5 years. The plans are revised and adjusted annually through the School Improvement process. Shoreline Elementary completed the process to transition from a Targeted Assistance Title I School, to Schoolwide Title I in the 2015-2016 school year.

A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

HOW TO ACCESS A COPY OF THE CORE CURRICULUM

Shoreline staff have worked extensively over the last five years to create an integrated Literacy Plan. The plan is available for review in the school office. The literacy curriculum that we have adopted this year to address our student needs is EL Education and is based on the Michigan Standards, which are available at the following website: <http://www.corestandards.org/> The math curriculum is Illustrative Math, is based on the Michigan Math Standards, and available [here](#).

IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

Conference Period	Total No. of Students	No. of Students Represented	Percentage
Spring 2023	466	456	99%
Fall 2023	462	446	98%
Spring 2024	483	469	99%
Fall 2024	483	470	99.6%

2023-24	50%	51%	66%

At Shoreline Elementary we continue to set the bar high with our local common assessments along with the rigor of our common curriculum. There is no doubt that this will continue to push our students to be leaders in proficiency and academic achievement regardless of the assessment. We will continue to focus on helping all kids become the best they can be from an academic, behavioral, and social perspective. Parents and community members can stay up-to-date by visiting our website and reading the monthly newsletter. Please do not hesitate to contact me!

Sincerely,

Beth Whaley
Shoreline Elementary Principal
